

End of the Blue Dolphins Book Re

By Pearson

In the beginning , the Aluets came and killed some of karana tribe.

Middle. Karana's brother Romo got killed by wild dogs.

The white men came and took karana to California .

This was my favorite part of the story is when karana held Rontu because it made me happy.

My least favorite part is when Rontu died because it made me sad.

I'm 10 years old and I'm in 4th grade.

It a book report about the Island of the Blue
Dolphins.
